

June Principal Message

Dear Hastings School Families,

As the school year comes to a close, I would like to take this opportunity to thank you for your collaboration. I look forward to continuing our work together at Hastings next year.

I would also like to honor a very special Hastings teacher who will be retiring at the end of this school year. Mrs. Murray, a third grade teacher, has dedicated the last 34 years of her career to supporting and teaching the children of Westborough. Mrs. Murray has made such a difference to our students, families, and staff. Thank you for everything, Mrs. Murray! We wish you the best of luck and hope you visit us often.

Third Graders

We wish our third graders (almost fourth graders) the best of luck as they transition to Mill Pond next year! They are a terrific group of students, and we will miss them. We know they will do great in fourth grade, and we hope they come visit their Hastings family regularly.

Summer Mailing

Please note that class placements and important start of school information for the 2019-2020 school year will be mailed home **mid-August**. The first day of school is on **Wednesday, August 28th 2019!**

Report Cards

Final report cards will be available online during the afternoon of **June 20th**. Families will receive an email from the district when they are ready for viewing.

June Principal Message

Field Day

Field Day is on June 13th! It is an exciting event for all K-3 students. Our P.E. teachers do a fantastic job setting this day up for Hastings school. If you would like to volunteer, click [here](#) to sign up now!

School Supplies

This year the parent group is piloting an **option** for families to order school supplies online. This is not a requirement or a fundraiser. If you would like to order your supplies online and have them shipped to school over the summer for next school year please click this [link](#) and place your order by June 30th! Let the parent group or office know if you have any questions.
