

Dear Parents and Guardians,

Each student will have access to school-provided bus transportation. Please read through the list for the stop closest to your home. Buses will pick-up and drop-off students only at designed locations according to the published bus routes.

If you need immediate assistance with regard to your child's transportation you may contact your school directly by phone. Please email any bus stop concerns, changes or additions to the Transportation Coordinator, Cindy Crowley at crowleyc@westboroughk12.org. Please include your phone number in your email to Ms. Crowley. Every effort will be made to address the requests as soon as possible (usually within 24 hours). Please use the established bus stop while your request is under review. These buses are under control of school officials and only under the direction of Westborough Public Schools Administration will bus routes be revised.

Thank you for your understanding we know that the bus ride is an important part of your child's day.
